"Inspiring learning; nurturing minds; achieving for life."

May 2026 Newsletter

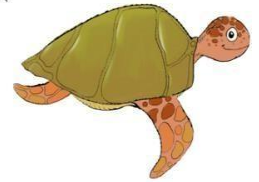

Curiosity

Teamwork

Fairness

Resilience

Dear Parents/Carers,

We are now well into our Summer Term and it seems to be action-packed with events! Please make note of the events calendar at the end of this newsletter. As always, if you have any questions then please contact the office or grab me in the morning when I am outside the front of the school.

Year 6 SATs

On the week beginning the 11th May, our Year 6 children will be undertaking their national tests alongside all other Year 6 pupils nationwide. Having worked extremely hard under the guidance of Mr Scott and Mrs Yates, and with the support of their parents and carers we wish them the very best of luck. The results of these tests are due back just before the end of the academic year. Mr Scott will be sending out further information shortly to all Year 6 families so that you can fully prepare your child for SATs week.

Reception Starters: September 2026

We are sending out letters this week to all new Reception starters for September 2026. As previously advertised, we will be holding a transition evening for parents and carers on **Wednesday 3rd June @ 6pm**. Following this, Reception starters will have their three transition visits to the Reception classroom to meet their new teachers and see their new environment.

Sports Days

Our school sports afternoons will be held on Wednesday 17th June at 1:15pm for children in Years 3, 4, 5 and 6. Children in Reception, Year 1 and Year 2 will take part in their sports afternoon on Wednesday 24th of June at 1:15pm. ***Please could your child wear their school PE kit and the appropriate colour on the respective days for their house team.***

Money Matters

- ***Residential payments***

Monies outstanding for the residential visits should be paid in full, two weeks before the trip is due to take place. If you have any difficulty with making the payments please contact me, Mr Frankland.

Sun Safety Reminder

As the weather is getting warmer, please ensure your child comes to school with sun cream already applied. Children may also bring a sun hat and plenty of water to help them stay hydrated throughout the day. On particularly sunny days, we will ensure children stay protected by encouraging them to use shaded areas during break and lunchtime, or by offering an indoor space where appropriate.

PTFA

Thank you to everyone who supported the PTFA's Glow Disco (raising over £800) and our ice lolly sale, which brought in £100.

Next up is our Summer Fayre on Friday 3rd July - we hope to see you there! We'll also be running more pop-up ice lolly sales, and our preloved uniform shop is stocked with summer essentials.

Thank you for your continued support!

Walk for Hedgehogs

Thank you to Noah in Year 3 for inspiring us all to do our bit to raise awareness and help protect hedgehogs. Over the course of two days, everyone took part by walking 3km each. Collectively, we covered an impressive 630km and raised a fantastic £115 for this important cause. What a brilliant achievement – well done everyone! 🦔

Key Dates

Date	Time	Event
