Dear Parents/Carers,

We have had an exciting few weeks with many children involved in planning or undertaking school trips. These wonderful first-hand experiences not only support the children's curriculum studies but also allows them the opportunity to become more independent. I look forward to seeing some of you at your child's residential assembly in the coming weeks. Those who have taken place so far have been fantastic.

Our last half term of the academic year promises to be as busy as ever, and I hope to see many of you at the various events.

A huge well done to all of our Year 6 pupils for completing their SATs just before half term. On behalf of everyone at Rode Heath, I would like to congratulate them all on their fantastic effort. They approached the week with a calm and positive attitude throughout, and I am incredibly proud of how they conducted themselves.

Sun Safety

As the weather is getting warmer, please ensure your child comes to school with sun cream already applied. Children may also bring a sun hat and plenty of water to help them stay hydrated throughout the day. On particularly sunny days, we will ensure children stay protected by encouraging them to use shaded areas during break and lunchtime, or by offering an indoor space where appropriate.

Water Safety – this has been created by Cheshire East and I have been asked to pass this on

WATER SAFETY – STAY SAFE THIS SUMMER

Cold water can kill – even on warm days

- Cold water shock can happen suddenly causing panic and loss of breathing control
- Even strong swimmers can get into difficulty very quickly

Stay safe near water

- X** Never jump straight into open water

- X** Always supervise children closely
- X** Follow safety signs and local advice

Know the risks

- Edges can be uneven or slippery

FLOAT TO LIVE

- Stay calm, control your breathing.
- Lean back, tilt your head back, ears submerged and float on your back
- Move your hands and legs to stay afloat
- Your legs may sink that's OK
- Keep your airway clear
- When calm, call for help

In an emergency – CALL 999 OR 112
