

Egyptian Day!

On **Friday 20th November,** Year 4 will be taking part in a fun-filled Egyptian-inspired enrichment day, with activities linking History, Science, Art and Design & Technology.

To help immerse themselves in the day, children may choose to an Egyptian-inspired costume. Please don't feel you need to go to as homemade costumes can be just as effective. The more creative, the better!

As part of our Design & Technology activities, the children will be designing and making their own sweet fruit-topped flatbreads, before tasting their finished creations.

Can you help us?

For our food preparation session, we would be very grateful to borrow a few electric tabletop grills/panini presses. If you have one that you would be happy to lend us for the day, please let us know.

We would also love some extra adult helpers! If any parents, carers or grandparents are available to help with our food preparation session from 1.30–3.00pm, please let us know.

There will be a small charge of £2 per child to help cover the cost of the food and materials. This will be available to pay online next half term.

We are really looking forward to a fantastic day of Egyptian-inspired learning!

The Year 4 Team
