St Peter's Roman Catholic Primary School

Computing Year 2 Summer

Information Technology: Presenting Ideas

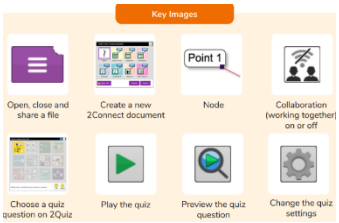

At the end of this topic, children will know…

- To explore how a story can be presented in different ways
- To make a quiz, (maybe pictogram?) about a story or class topic. (Could use Kahoot here)
- To make a fact file or presentation about a topic to the class.

Kahoot!

Resources on Purple Mash -

Key Question
Why do we need to plan our presentation?
To consider our audience. For example, using lots of pictures for children.

KEY VOCABULARY

E-book	A place in software such as 2Create a Story where a library of images can be found and inserted into a file.
Fact File	A document containing all the important information about one subject.
Mind map	A tool for organising and representing knowledge. They form a web of ideas which are all interconnected.
Presentation	A way of displaying information about a subject to an audience.
