St Peter's Roman Catholic Primary School

Computing Year 6 Spring

Information Technology: Blogging

At the end of this topic, children will know…

- What the purpose of a blog is.
- The features of a successful blog.
- How to write a blog and a blog post, understanding the audience.
- How to collaboratively contribute to an existing blog.
- How and why blog posts are approved by the teacher.

Key Questions

What is a blog?
A blog is a website or webpage that is regularly updated by the author. A blog also allows the reader to post comments or opinion based on what is written.
What can a blog be about?
A blog can be written about any subject. You could write a blog about school such as information about the subject you are studying. Alternatively, you could write a blog about your favourite team or movie

KEY VOCABULARY

Blog	A regularly updated website or web page, typically one run by an individual or small group, that is written in an informal or conversational style.
Archive	In this case, where older blog or vlog posts are stored.
Collaborate	Work jointly on an activity or project.
Approval	The act of acknowledging something is appropriate.
Blog post	A piece of writing or other item of content published on a blog.
Vlog	A personal website or social media account where a person regularly posts short videos.
