PE Year 2/3

Topic- Net and wall games

What is this topic about?

In net/wall games, children will play games that demand simple choices and decisions on how to use space to avoid opponents, keep the ball and score points. They will continue to practise, refine and master their fundamental movement skills and techniques, using them to outwit others.

I will show my PE skills by…

Showing the ready position
Catching a ball
Side galloping
Striking a ball
Holding a racquet
Underarm and overarm throw
Demonstrating a simple tactic

At the end of the Topic I will…

Know how to use 1 simple tactic to outwit an opponent.
Know how to hold a racquet correctly.
Know how to perform a side gallop with some rhythm.
Know how to throw underarm.
Know that honesty is needed in net and wall games.
