PE Year 4/5

Topic- Invasion Games - Handball

What is this topic about?

In all games activities, children think about how to use skills, strategies and tactics to outwit the opposition. Children will continue to learn simple attacking and defending tactics using a range of equipment and skills that are specific to handball. Small, uneven sided games will allow children to practise and demonstrate the skills, tactics and strategies they have learnt. In invasion games, children enter their opponent's territory with the ball and try to get into good positions for shooting or reaching for the goal.

I will show my PE skills by…

Running Dodging
One-handed pass and one-handed bounce pass
Catching a ball
