PE Year 5/6

Topic- Invasion Games - Netball

What is this topic about?

In all games activities, children think about how to use skills, strategies and tactics to outwit the opposition. Children will improve their attacking and defending play using a range of equipment and skills that are specific to netball. They will play small, uneven sided games (5v4 or 4v3) before moving on to play even-sided mini-versions of netball. In invasion games, children enter their opponent's territory with the ball and try to get into good positions for shooting or reaching for the goal.
