PE Year 5/6

Topic- Creative Games

What is this topic about?

Throughout this unit, children will work together in groups of 8-10 to create their own invasion game. They will apply the transferable attacking and defending tactics they have learnt previously (across a range of invasion games) whilst also thinking about the skills, strategies and tactics needed to outwit the opposition in their game. They will also revisit different ways of travelling with a ball and passing. They will agree rules, area of play and how to score as well as selecting suitable equipment for their game.

I will show my PE skills by...

Dribbling and passing a ball
Receiving a pass
Shooting a ball
Applying simple tactics in my own competitive game.
Working as a team.

At the end of the Topic I will...

Know how to create and play my own invasion game.
Know the rules for my game.
Know the area of play for my game.
Know the equipment needed for my game.
Be able to explain 2 tactics to outwit the opponent in my game.
Know that team work is needed when working as a group.

KEY VOCABULARY

Team work, safety, outwit, opponent, tactic, dodge, attack, defend, territory, drible, pass, receive, shoot,
