PE Year 5/6

Topic- Striking and fielding - rounders

What is this topic about?

In all games activities, children think about how to use skills, strategies and tactics to outwit the opposition. Children will learn how to play the different roles of bowler, backstop, fielder and batter. Children will focus on developing their technique and using a wider range of shots, working in larger teams for some of the time. Children will concentrate on developing their bowling technique and developing tactics as a fielding team.

I will show my PE skills by…

Bowling a ball underarm.
Fielding a ball and throwing back overarm or underarm.
Running as quickly as possible to score.
Striking a ball from a bowler or batting tee.
Applying simple tactics in a modified competitive game.

At the end of the Topic I will…

Know how to bowl a ball underarm with accuracy.
Know how to return the ball quickly and accurately when fielding (using the appropriate throw).
Know where the best place is to strike the ball to score more runs/points.
Know how to judge where the ball is going to be hit and try and intercept it (when fielding).
Know that passion is needed in rounders.

KEY VOCABULARY

passion, safety, encouragement, bowl, strike, field, backstop, bat, fielders, overarm, underarm, tactics, runs, space, bowler, fielder, batter, intercept, return
