Blossom SEND Provision

Giving Children the best start in life

Our curriculum is built around the community and the families we serve

It is designed to ensure children develop a progression of skills and have memorable experiences

Early Language is at the heart of our curriculum

We are an inclusive and communication friendly setting

Every child will have a strong foundation of learning ready for the next stage of their education

Mrs Whitehead

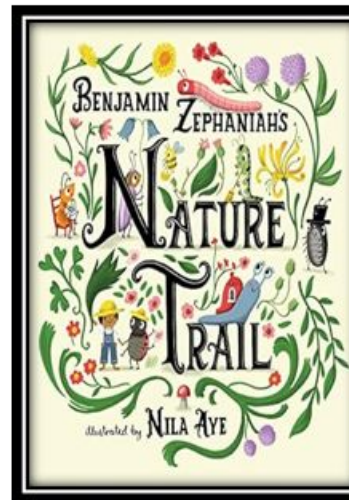

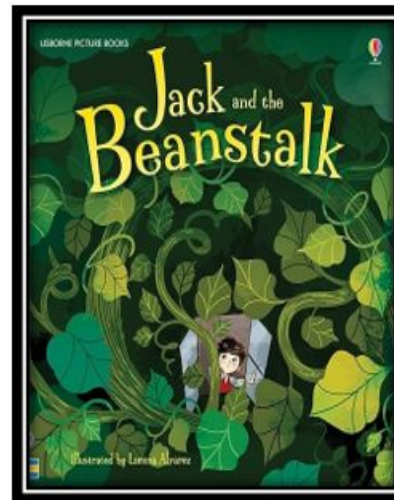

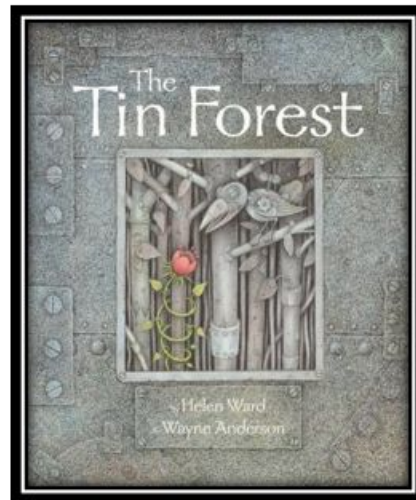

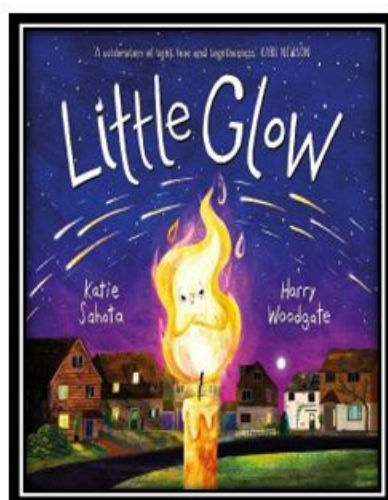

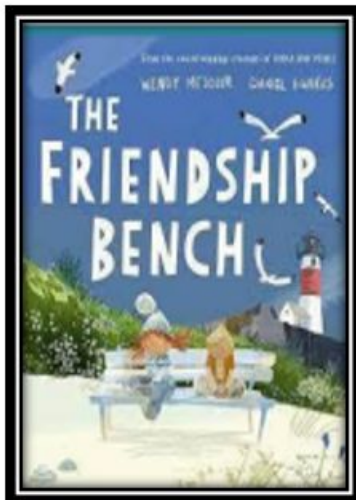

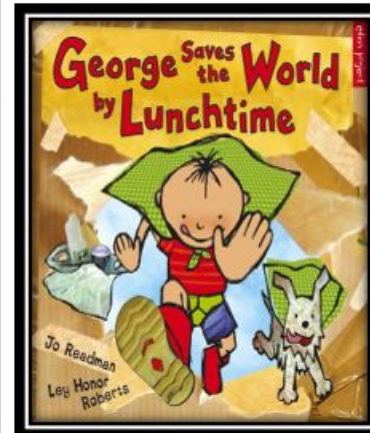

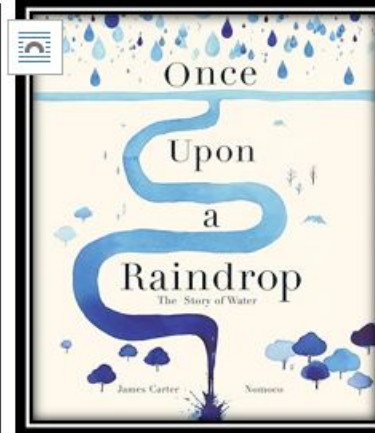

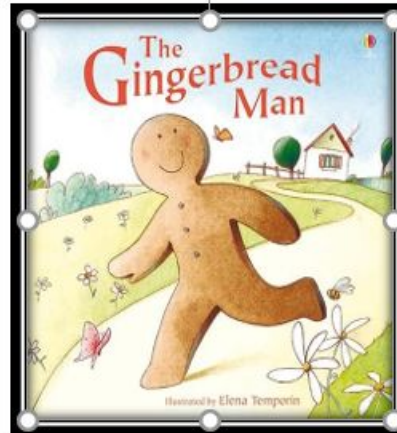

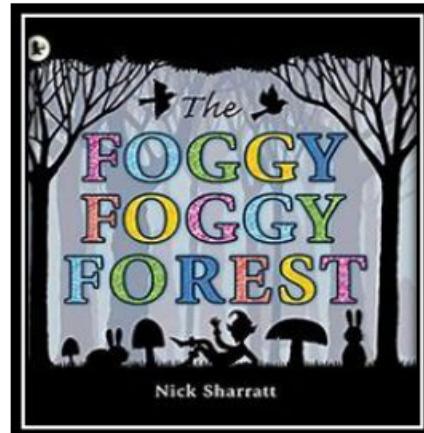

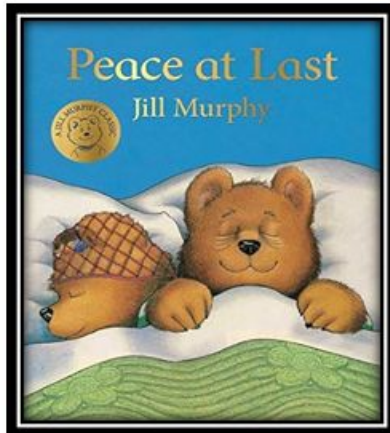

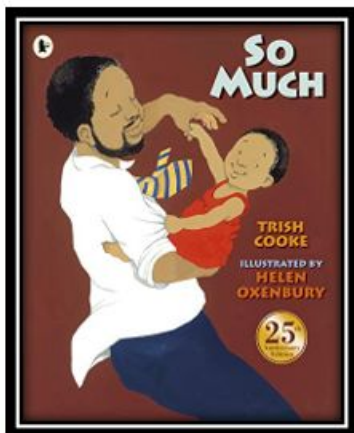

Elkan Communication Lead

Mrs Whitehead will assess children's language and understanding. This is scored by a traffic light system and informs teachers on how we can support.

We get support from Flying Start with workshops and we can support with speech and language referrals.

EYFS: Reception English Core Texts

A Typical Day

Soft Start / Reding Soda
