

St. Joseph's

Catholic Primary School

January 2026

Dear Parents and Carers,

An exciting residential visit to Burwardsley has been planned for our current Year 1 children in the Autumn Term, when they will be in Year 2. As a school we have visited the centre for a number of years, the children love the experience and it is usually only parents who may feel anxious. The centre is near enough for parents to collect children, if necessary, but we have never had to do this yet.

Due to the number of pupils in the year, the children will attend in two groups.

- **Group 1** will depart on **Wednesday 7th October**, returning on **Thursday 8th October**.
- **Group 2** will leave on **Thursday 8th October**, returning on **Friday 9th October**.

When the children are not with us on the residential, it is expected that they attend school as normal.

There will be an important meeting held closer to the time. At this meeting you will be provided with details about the activities the children will take part in, as well as additional information about the visit. Please try your best to attend.

The cost of this visit will be **£87.82**, which covers **travel, accommodation, food and all activities whilst at the centre**. The cost for children in receipt of Pupil Premium funding will be **£43.91**. To ensure the trip is financially viable, a **£25 deposit** and permission to attend must be paid and completed via Arbor before **Friday 24th April**.

Remaining payments can be made in instalments via Arbor, and the full cost must be paid before the end of **July 2026**.

The children will have a wonderful time and will remember their first residential for years to come.

Thank you for your continued support,

Mrs Williamson
