School Fund

We kindly ask for a donation of 50p each week, which will go towards providing additional enhancements and resources to support the topics that we are learning about in class.

This can be brought into class by your child and put into their class money box.

Thank you for joining us!

Thank you

We just want to take this opportunity to say a huge thank you for all of your support as the children have started school. We are sure you'll agree that they have settled brilliantly. We are extremely proud of all of them.

We're looking forward to a fun year of learning ahead.

Many thanks for your continued support.
