Teacher's Note

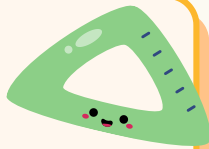

Welcome to nursery, we are looking forward to getting to know your child and having lots of fun.

Classroom Highlights

We are very excited to have a term of learning, exploring and making new memories together! As the children settle into nursery life, we will be getting to know one another, building friendships and developing confidence in our new classroom.

What We're Learning

This half term our topic is All About Me.

Learning about ourselves is a fundamental part of childhood development, especially as pupils start to ask questions about who they are and how they are the same, or different, from others.

Reminders

We kindly ask for a £30 foundation fund contribution, which is very important in helping us provide a wide range of resources, activities, and enriching experiences to support the children's learning and development.

(£5 per term or you can pay the whole year)

Our Books this half Term
