

Anti-bullying Strategy 2026-2027

Date agreed: September 2026

Reviewed : September 2027

1. Prevention

- **Curriculum:** PSHE and assemblies include lessons on friendship, respect, and anti-bullying.
- **Rules and Expectations:** Clear behaviour expectations displayed in classrooms and around school.
- **Peer Mentoring:** Older pupils trained as buddies to support younger pupils.
- **Digital Safety:** Online safety lessons to prevent cyberbullying.

2. Early Intervention

- Staff training to recognise signs of bullying, including subtle relational and cyber forms.
- Encourage pupils to report concerns early.
- Quick response to incidents to prevent escalation.

3. Whole-School Culture

- Promote respect, empathy, and inclusion through assemblies, class discussions, and rewards.
- Celebrate positive behaviour with house points, certificates, or displays.
- Encourage pupil voice through councils or anti-bullying ambassadors.

4. Engagement with Parents

- Information sessions on bullying and online safety.
- Regular communication about behaviour expectations and school initiatives.
- Offer support and advice to families struggling with bullying at home or school.

5. External Support

- Links with local safeguarding boards, mental health services, or children's charities if needed.
- Provide information about helplines like Childline (0800 1111) for pupils.
