

Irlam Primary School

School Fund Mission Statement 2026-2027

At Irlam Primary School, our School Fund exists to enhance and enrich the educational experience of every child.

The fund enables us to provide additional opportunities, resources and experiences that extend beyond the core school budget. It supports initiatives that promote academic achievement, personal development, wellbeing and inclusion, ensuring that all pupils can participate fully in school life regardless of circumstance.

Through the generosity of donations, fundraising activities and voluntary parental contributions, the School Fund helps us to broaden horizons, create memorable learning experiences and strengthen our school community.

Funds may be used to support:

- Educational resources and equipment
- Enrichment activities and specialist curriculum experiences
- Pupil clubs and extended provision
- School events and community functions
- School photographs and uniform provision
- Appropriate tokens of appreciation for volunteers and leavers (within agreed financial limits)

All School Fund income and expenditure is managed responsibly, transparently and in accordance with the school's financial procedures and governance requirements.

The School Fund operates under the oversight of the Headteacher and Governing Body. Expenditure is authorised in line with agreed financial controls.
