

English:

In our lessons we will be:

- Reading quality texts, such as *The Boy in the Tower*
- Learning to select vocabulary for its effect on our reader
- Learning to use the full range of punctuation taught at Key Stage 2, including colons and semi-colons to separate independent clauses

Computing:

In computing we will:

- Create a program to run on a controllable device
- Explain that selection can control the flow of a program
- Develop a program to use inputs and outputs on a controllable device

Art & Design Technology:

- We will be creating props to support with the production and designing tickets and programmes to distribute to the school
- As part of design technology, we will also be looking at structures including playground design.

PE:

- In outdoor PE, we will be practising athletic skills ready for Sports Day.
- We will be developing our skills in cricket with a cricket coach

Humanities:

In our lessons we will be:

- Exploring the physical geography of a South American country, Colombia, and comparing it to the UK
- Using the language of biomes and climate zones to analyse how climate change might impact a country
- Exploring the human geography of trade links and distribution of resources

Science:

This half term we will be looking at light and exploring how changing the position or distance of a light source can impact the size of a shadow. We will learn about the way that light travels.

Year 6 Summer 2 Our Wonderful World

This half term the children will be going on a trip to Brockwell Park and the Velodrome

Maths:

In our maths lessons we will be applying our knowledge and skills in a range of hands-on problem solving activities to allow us to think about our maths in different ways. We will also be focusing on shape as well as position and direction.

Music:

- We will continue with our steel pan lessons
- We will be rehearsing our songs for our production and leavers' assembly

RE: Rules and responsibility in Christianity, who decides?

We will consider the implications of rules and responsibilities for belonging to communities and, in particular, of belonging to a faith community. We will explore this unit by looking at a range of religions.

Spanish:

We will be reviewing and revising our Spanish vocabulary and grammar.

Personal, Health, Social and Citizenship:

Our Jigsaw topic this half term is 'Changing Me'. We will be thinking about and discussing how our bodies change as we grow older.
