

English:

In our lessons we will be:

- Reading quality texts such as The Owl and the Pussycat, and using them to inspire our own writing
- Learning to improve our choice of adjective and verb
- Learning to use conjunctions to extend our sentences
- Learning to use apostrophes in our writing
- Learning to use different suffixes to create new words
- Writing for different purposes, including our own stories based on Clean up!

Computing:

In computing we will be creating digital music. We will be exploring rhythms and patterns.

Art & Design:

We will be learning about different techniques using charcoal and chalk and try to replicate them in our own artwork. We will use this to help us create shells inspired by our learning on the seaside.

Humanities:

In our lessons we will be:

- Using maps and globes to locate the seas and beaches around the UK
- Using geographical words to describe coastal areas
- Using sources to find out more about the past
- Finding out about Grace Darling and her amazing feats!

PE:

In outdoor PE, we will be doing a series of team games where we will consolidate skills developed in the first two terms. In indoor PE we will be partaking in seaside dancing.

Spanish:

In our Spanish lessons we will be learning about the seaside. We will be learning about different ice cream flavours and different beach games.

Science:

Our topic this half term is: Animals Including Humans. We will be learning about the lifecycles of different animals and learning about what animals need to survive.

Music:

In Music we will be learning a selection of upbeat songs that complement the warming weather. We will be focusing on rhythm and beat.

RE:

In RE we will be learning about Islam. We will explore what helps Muslims live a faithful life by learning about the five pillars of Islam. We will also explore why community is important to Muslims.

PSHE:

Our Jigsaw topic this half term is 'Relationships'. We will be thinking about our friendships and what makes a good friendship.

Maths:

In our maths lessons we will be:

- Understanding language involved in fractions such as, equal parts, unit and non-unit fractions and recognising half, quarters and thirds.
- Telling and writing the time to five minutes
- Reading scales in divisions of 1s, 2s, 5s and 10s

Year 2 Summer 1 Seaside Surprise!

This half term the children will be going on a trip to London Sealife Centre.
