orest School

Forest School is an inspirational process that offers all learners regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in a woodland or natural environment. It is a specialised learning approach that sits within and compliments the wider context of outdoor and woodland education.

At Cottam, we teach Forest School lessons so that all the children have a chance to develop a wide range of skills that they wouldn't otherwise have the opportunity to do so inside the classroom. It also supports our children's self-esteem and confidence and allows them the chance to achieve things they thought they might not have been able to previously. More information will come out via email when your child is due to take part.

We believe that outdoor learning is something all children should have regular access to in order to better develop their understanding of the world around them, apply learning from a variety of different subjects and sustain a healthy lifestyle.

Snack

Healthy Snack

In Key Stage 2 children are able to enjoy a healthy snack at break time. Fruit is always available from school or children are welcome to bring in their own healthy snack. We have a number of children with nut allergies across school and are therefore a **Nut Free School**. Please do not send your child to school with any snacks containing nuts.

A healthy snack may include: fruit, cereal bars, crackers, cheese strings, rice crackers, etc.

In Key Stage 2 children are also able to order toast to enjoy as a snack. This must be preordered and paid for through Parentpay prior to children receiving it.

Milk

Cool Milk supply school with milk for our children. Children under the age of 5 are entitled to free milk but must be registered through the Cool Milk website by a parent or carer to received their entitlement. Children over the age of 5 are also able to have milk in school but this must be paid for through the Cool Milk website by a parent or carer.
