

# INVITATION

After our Launch Event this morning, we are pleased to announce that our Local History Village Trail is now open!

Maps are available to buy for £1 from either Lewis's Coffee Shop or the Post Office. Follow the map to points of historic interest around the village and scan the QR codes to hear our wonderful children sharing their knowledge about the history of each place.

We look forward to hearing how much you enjoyed the trail - be sure to let us know what you think!
