Dear Parents and Carers,

We are writing to acknowledge that, over recent weeks, there have been a number of staff absences across school which have understandably led to some changes in staffing arrangements and routines.

We fully appreciate that consistency and familiar faces are important to children, and we understand that these changes may have caused some concern amongst parents.

Unfortunately, there are occasions when staff need to be absent from school due to illness or personal circumstances. Whilst we always strive to minimise disruption, some situations are simply beyond our control and cannot always be anticipated or avoided.

Please be assured that we work hard behind the scenes to manage these situations as effectively as possible, prioritising continuity of learning, familiar adults wherever possible, and, above all, the wellbeing of our children.

We are fortunate to have a dedicated and supportive staff team who work together to ensure that school continues to be a happy, safe and positive place for every child, even when unexpected challenges arise.

We appreciate your patience, understanding and continued support. We share your desire for stability and consistency and will always do everything reasonably possible to provide this.

Kind regards,

Mrs Wakefield
