Fundraising for Lansbury Bridge

We're very proud to share a fantastic fundraising challenge being undertaken by Harper, a former Rivington pupil, who is raising money for her current school, Lansbury Bridge.

<https://gofund.me/b548eEEEE>

Mt little harper attends SEN school Lansbury bridge and we are hoping to do some fund raising to give back to the school ✨

The school pool has been broken for some months now which has had a huge impact on the children's weekly physio and hydrotherapy something that parents can not do at any other pool, the repairs have been put in place which is costing £70,000, this has taken our a huge amount of funds from the school in other places where needed and if we could we would love to give back to Lansbury bridge as they have done so much for harper in her time there, any donation is welcomed I know times are hard.

She will be doing 3laps of Victoria park St Helens on the 31st October on her custom made trike this will be challenging for harper with her disabilities but with every support she can do this 💪 If you could help this would be truly appreciated See less
