**What is Pan-disability football.....**

Pan-disability football is a format where individuals with a wide range of impairments and health conditions can play football together. It's a flexible and inclusive approach, emphasizing participation and enjoyment for everyone, regardless of their specific disability. Unlike some disability football formats, pan-disability football doesn't have a formal classification system.

Witton Albion Ability Counts provides the opportunity for both boys and girls to take part informally in turn-up-and-play sessions on Monday evenings at £2 per session.

In addition, the FA hosts monthly Tournaments during the football season which provides the opportunity for more formal team and competition-based football.
