WATER SAFETY

Water safety message from CWAC:

The RNLI's 2026 Float to Live campaign launched Tuesday 19th May.

As we move towards the school half term holidays and as the weather threatens to improve, we're asking for your help to share this lifesaving advice to save more lives. It only takes one conversation to save a life, so please share our campaign with your teams, contacts, families and friends – you could be a lifesaver!

A few key campaign snippets to help:

- The core campaign message remains simple and practical: if you find yourself struggling in the water, Float to Live. Tilt your head back with your ears submerged, relax and try to control your breathing, move your hands and legs if needed, and remember that it's OK if your legs sink — we all float differently. Once your breathing is under control, call for help or swim to safety.
- The campaign toolkit includes social media assets, films, posters, pocket guides, email banners and community resources. Please signpost your teams and partners to [download the campaign toolkit here](#), with all the digital assets available on the [Float To Live website here](#).
- A recorded briefing about the campaign can be [viewed here](#).
- A new case study about a young man called Euan who credits Float to Live with helping to save his life is [available here](#).
- For those wanting to understand the evidence behind the campaign, [this peer reviewed BMJ Injury Prevention](#) article is useful.
- This year's campaign will be supported by a paid media plan which goes live this week and runs until early July across Ireland and the UK using the following channels – Digital radio & podcasts, outdoor digital posters and social media (Meta, Tiktok & Twitch).

PARENT AND CARER SURVEY

Help shape local childcare provision by completing this short survey (10 minutes). Your views will directly influence services in our area. [🔗 Take the survey](#)

Closes Tuesday 31st July

MENU CHANGE

On Thursday 16th June the menu will be Burgers or Mozzarella Dippers as chosen by Year 6 for their Leavers Lunch.

FODS FUNDRAISING EVENTS 2025/26

LUNCH MENU

The menu next week will be Week 3

PARKING

Please can we remind everyone that we operate a strict one-way system in and out of school. This operates at all times. Please do not block neighbours driveways.

Please avoid leaving engines idling.

Please remind children to use the pavement if they use Firthfields route to or from school. We have received reports that children are using the road.

STOP AND DROP

Please note that this is **ONLY** for parents/carers who do NOT need to get out of the car. The idea is to keep traffic flowing. If you need to get out of your car, please can we ask that you park your car and do not use Stop and Drop.

PUPIL PREMIUM GRANT FUNDING

Schools receive Pupil Premium Grant funding from the DfE for children who are eligible for income-benefits related Free School Meals.

If you believe your child is eligible in this category, please apply via the CWAC link: [Free school meals | Cheshire West and Chester Council](#)

Please note that this is not the same as Universal Infant Free School Meals which is an ongoing government non-means tested initiative for all school aged infant children.

If you have any questions, please contact Paula Colloby on 01606 42551 or email via bursar@davenhamce.cheshire.sch.uk

Northwich during the Industrial era,

A vibrant, colorful poster for a Summer Holiday Club. At the top, a smiling sun and colorful bunting flags frame the title "SUMMER HOLIDAY CLUB" in large, playful letters. Below the title, a green banner reads "PRIMARY CHILDREN" and a pink banner reads "HOME FROM HOME". A central text box states: "A safe, happy and fun place where children can learn, create and play!". Below this, five activity boxes are shown: "BAKING" (a girl baking), "ARTS & CRAFTS" (a girl painting a rainbow), "GARDENING" (a girl watering plants), "OUTDOOR PLAY" (children playing with a soccer ball), and "GAMES" (children playing with dice). At the bottom, a blue banner features the text "MESSAGE SADIE" and the phone number "07779125824 FOR MORE INFO". The background is decorated with various icons like a paint palette, a potted plant, and a slide.

What is Pan-disability football.....

Pan-disability football is a format where individuals with a wide range of impairments and health conditions can play football together. It's a flexible and inclusive approach, emphasizing participation and enjoyment for everyone, regardless of their specific disability. Unlike some disability football formats, pan-disability football doesn't have a formal classification system.

Witton Albion Ability Counts provides the opportunity for both boys and girls to take part informally in turn-up-and-play sessions on Monday evenings at £2 per session.

In addition, the FA hosts monthly Tournaments during the football season which provides the opportunity for more formal team and competition-based football.
