

hello Spring

NEWSLETTER

Dear Parents and Carers,

I hope this newsletter finds you and your families well. It has been another busy and exciting time at school, and I would like to take a moment to celebrate some of the wonderful achievements of our pupils and share a few important updates with you.

As we break for half term today, I hope you all have a wonderful break – have time to rest and relax and return to school refreshed ready for another busy half term.

Sponsorship Opportunity

One of our Year 5 parents is taking part in a skydive this Mother's Day in memory of her mum, Darcie's nana, who sadly passed away last May. It is a very special way to honour her memory, and we know she would appreciate any support from our school community. If you are able to sponsor her, please use the link below. Thank you in advance for your kindness and generosity.

Parking Reminder – No Idling

Please help us to keep our children safe by parking considerately at drop-off and pick-up times. We kindly ask that drivers do not idle their engines and avoid parking on yellow lines. Your cooperation makes a significant difference to the safety and wellbeing of everyone in our school community.

PTA Disco

Our recent PTA disco was a huge success, with great fun had by all! Thank you to the parents and staff who gave their time to organise such an enjoyable event. Every penny raised goes straight back into school to benefit all of our children, and we are very grateful for your continued support.

School Council

Last week our school council met with Miss Munro to discuss her role at school. She explained to the children that she is part of a team who looks at sustainability at Mossley. The children discussed what they thought sustainability meant and what types of things we are already doing to become a more sustainable school. Miss Munro shared some of her projects and plans and set the group a challenge. We are excited to see what we can all do to ensure that Mossley is an environmentally friendly place.

Year 5/6 Football League

Well done to our football team for their fantastic performance in the league. The team showed great determination and sportsmanship throughout the competition and, despite some superb results, just missed out on the league title. We are extremely proud of their efforts.

Year 3/4 Indoor Athletics

A huge congratulations to our indoor athletics team, who were simply superb. Their teamwork, encouragement of one another, and outstanding effort in running, jumping, and throwing led them to become overall winners. We are incredibly proud of their achievement and the way they represented our school.

Our school community remains one of our greatest strengths. Thank you for your ongoing encouragement, positivity, and partnership — together we create the very best environment for our children to thrive.

Little Eco Steps, Big Impact

 **Compost It** – Keep a food scrap bowl for composting instead of the bin.
