

WELCOME BACK TO SCHOOL

A MESSAGE FROM MRS. HARRISON,

- Welcome back to school! It has been wonderful to see the children return with such enthusiasm and energy. The weather is certainly on the turn—and long may it continue! We are looking forward to a very busy and exciting few weeks ahead.

TCS MINI MARATHON

We are incredibly proud of all the children who have begun to run in the Mini Marathon. Their determination, effort and positivity were fantastic. Well done to everyone involved!

Year 5/6 Football

- Our Year 5/6 football team had a busy tournament this week. They demonstrated excellent teamwork, sportsmanship and perseverance. We are very proud of how they have represented the school.

OPAL (OUTDOOR PLAY AND LEARNING)

- Our OPAL provision continues to go from strength to strength. Children are enjoying a wide range of play opportunities, building creativity, teamwork and resilience. The introduction of the slack lines and other resources has been a huge hit!

SPORTS WEEK & SPORTS DAY

WE ARE EXCITED FOR OUR UPCOMING SPORTS WEEK—A FUN-FILLED WEEK PROMOTING FITNESS, TEAMWORK AND ENJOYMENT FOR ALL. SPORTS DAY WILL BE A KEY HIGHLIGHT, AND WE LOOK FORWARD TO WELCOMING FAMILIES TO SUPPORT AND CELEBRATE WITH US!

OUR CHRISTIAN VALUE IS...

Respect

Respect means treating everyone kindly and politely. Ravi saw an old man trying to cross the road. He stopped and helped him safely. At school, Meena always listens to her teachers and does not interrupt them. She also shares her things with friends and never teases anyone. Respect is not only for elders; it is for everyone around us. When we respect others, people respect us too. Small acts like saying “please” and “thank you” show respect. Respect makes the world a happier and better place.

Year 3 River Trip

Our year 3 children enjoyed a geography field trip to the river Dane. They used the skills they had learnt in the classroom to find out more about the river Dane. As always behaviour and engagement was excellent
