

WE'VE GOT NO ROOM!

- 1 We've got no room inside the inn,
We'd love to say, 'Just come on in!'
We've people queuing out the door, door, door,
We simply can't take any more!
- 2 We've got no room for you to stay,
We hate to turn our guests away,
We've people queuing out the door, door, door,
We simply can't take any more!
- 3 We've got no room, we're chock-a-block,
We've all been working round the clock,
We've people queuing out the door, door, door,
We simply can't take any more!
- 4 *Repeat verse 1*
