

WHAT AM I GONNA BE?

CHORUS *What am I gonna be
In this year's nativity?
I'll have to wait and see,
I just hope there's a part for me!
(Repeat, 1st chorus only)*

- 1 I could be an angel with big wings,
I could sing as loud as you need. (LAA!)
- I could be a star or anything,
But please, Miss, don't say I've got the part of a tree!

CHORUS

- 2 I could be a donkey with big ears,
I could walk as far as you need.
- I could be a star or anything,
But please, Miss, don't say I've got the part of a tree!

CHORUS

- 3 I could be a camel with big feet,
I could carry all that you need.
- I could be a star or anything,
But please, Miss, don't say I've got the part of a tree!
