Dear Parents,

**SWIFTKITCHEN** is the new online meal ordering system you'll be using to order school meals for your children from **Monday 20<sup>th</sup> APRIL 2026**. You will be able to access the system before that date to look at what is on the menu and order what your child would like in advance.

SwiftKitchen has been designed to be simple, modern and easy to use. We recommend downloading the SwiftKitchen app from the Play Store or App Store, as this will give you the best experience. Alternatively, you can go to [app.Swiftkitchen.co.uk](http://app.Swiftkitchen.co.uk) in any browser, on any device.

You will order and pay for meals through this App/website. **ParentPay will no longer be used for meal payments.**

You will be able to get access to the user guide provided by SwiftKitchen using this link to help you through the process.
