

Year 3/4 Chilli Challenge Homework

Autumn 2 2025 – Woolly Mammoth

The Peri-ometer suggests the difficulty or challenge the homework may offer.

Try and challenge yourself to attempt **a piece of homework from each section (Maths, English, The Arts)** and even an **“Extra Hot”** task.

A copy of this homework sheet can be found on our class webpage, so that you can click on website links. Complete work can be sent by ClassDojo or brought into school. **A minimum of two tasks should be completed by 12th Friday December.**

Maths	English	The Arts
Archaeologists have found markings in a cave that they think may be the way stone age people counted. Can you come up with your own method of counting? You might want to choose symbols to represent certain amounts.	Investigate Stone circles. What are they? Where are they? Why were they built? Present your research in any way you wish (PowerPoint presentation, model, fact file, information booklet).	Research an aspect of prehistoric Britain, the Stone Age, Bronze Age or Iron Age and use what you find out to create a project. You can present your research in any way you wish. Why not try making a film or a podcast to show in class!
Create your own Stone Age themed word problems. Here's an example: Om needs 24 shells to make a Stone Age necklace. She has already collected 10. How many more shells does she need to collect?	Stone Age people could not pop to the shops for food. Everything they ate had to be caught or collected. Write your own recipe for a Stone Age dinner using the ingredients that would be available to them.	Stone Age people used to write stories on the walls of their caves through drawings. Make up your own story. It can be about anything you like but tell it through cave art pictures.
Play TTRockstars 2 or 3 times per week. https://play.ttrockstars.com	Describe in easy steps how you would actually set a trap to catch a woolly mammoth. You can add pictures and diagrams to your instructions. Try to present it in a fun way!	Write a song or rap about daily life of a Stone Age person. Perform the song to the class if you are brave enough to.
Practise your number bonds to 10, 20, 50 and 100. Decorate with Stone Age Paintings.	Write a list of animals recorded to have been in the Stone Age time.	Design a stone age tent dwelling from materials found in nature. Draw and label or make and take a photograph.
