

Year 1 Chilli Challenge Homework – Spring Term 1 - 2026

Try and challenge yourself to attempt **a piece of homework from each section** and even an “**Extra Hot**” task.

A copy of this homework sheet can be found on our class webpage.

A minimum of three tasks should be completed before Friday 6th February.

Science	Maths	Spelling	Creative
Can you find or draw an object that is either translucent, transparent, opaque, rigid, flexible and/or waterproof?	<p>Count to 100 forwards and backwards in steps of 1, 2, 5 and 10 starting from any number.</p> <p>Create addition and subtraction pairs to 20 and record all the fact families eg. $13+7=20$, $17+3 = 20$, $20= 13+7$ $20-7=13$ $17= 20-3$ etc.</p> <p><u>Hit the Button - Quick fire maths practise for 6-11 year olds (topmarks.co.uk)</u></p>	<p>Learn to spell a different set of 20 words from the Year 1 common exception word list.<u>386003_grade_file.pdf (etchells.stockport.sch.uk)</u></p> <p>Write sentences containing each of the common exception words you are learning.</p>	Design an information leaflet describing London and important landmarks.
Look at the materials used to build your house. List and explain why each material is used for a certain job.eg why do we use glass for windows?	<p>Make your own numberlines up to 100 . Challenge yourself by creating a forward line and a backwards numberline.</p> <p>Count in twos to 100 and count in ones forwards and backwards to 100.</p> <p>Create addition and subtraction pairs up to 10 and record the facts you have made, try to find eight different calculations for each fact family.</p>	<p>Learn to spell a set of 10 words from the Year 1 common exception word list.<u>386003_grade_file.pdf (etchells.stockport.sch.uk)</u></p>	Look at a map of the UK and identify where London is and where Heald Green is.
Choose 5 different materials you can find in your house and test them to see whether they float or sink.	<p>Make your own numberlines up to 50. Challenge yourself by creating a forward line and a backwards numberline.</p> <p>Count in ones forwards and backwards to 50.</p> <p>Count in fives and tens to 100.</p> <p>Create addition and subtraction pairs to 8 using practical equipment such as buttons.</p>	<p>Learn to spell a set of 5 words from the Year 1 common exception word list.<u>386003_grade_file.pdf (etchells.stockport.sch.uk)</u></p>	Using a compass draw what you can see from your house when you face North, South East and West.
Go on a material hunt around your home, naming the materials you find. Try to find plastic, wood, glass, brick, stone.	Make a number line to 10. Create addition facts to five practically.	Learn to spell no, go, so, to, do	Write on an envelope your home address and learn your house number and road name.
