

# Spring 2026 Early Years News Nursery

## Library books

We will be starting our Nursery library on Wednesdays. Everyone will choose a book on Wednesday in class and bring it home to share with you. Please remember to return the following week.

This term our theme is 'Superheroes'. The first half term we will be thinking about the book 'Supertato' and talking about superheroes we know and like. The second half term we will be thinking about super heroes in our community such as; vet, police officer etc

Through this theme we will be;

Exploring different changes and talking about what we see.

Playing and learning about different occupations

Understanding and using positional language

Counting and exploring quantities up to 3.

Exploring and talking about 2D shapes

Reading print around us

Practising forming the letters in our name correctly

AND LOTS OF OTHER THINGS!!!!

## Name writing

At this age children are in varying stages of name writing, whether this be just recognising their name or beginning to form some letters. One of the most important things is that children learn to form their letters correctly from day one. If you do practise at home please use lower case and encourage correct formation. Please ask if you need any advice.

## REMINDER!

\*We love to hear about what your child has learnt or achieved at home e.g. swimming, riding their bike, getting dressed all by themselves, saying goodbye to their dummy etc. Please remember to record/photograph these magic moments throughout the year and send them into school to contribute to your child's 'Learning Journey' records

## Important Dates

Tuesday 10th (am) and Thursday 12<sup>th</sup> (pm) March (9-10) - Mums/Aunties/Nanas stay and play

Wednesday 25th March - Easter Bonnet Parade - blue children to attend in the morning.

**PLEASE DON'T FORGET TO KEEP VISITING DOJO FOR PHOTOGRAPHS AND UP TO DATE INFORMATION**

We are actively encouraging all children to independently put their coats on and fasten them - It would help immensely if you could continue to practise this skill at home, and if you are needing to buy hats and gloves please can we please advise mittens as these are much easier to put on.

**\*Please remember to pop names in all jumpers, hats, water bottles etc.**

Thank you for your continued support
