Staffing news

Early in the new term we are looking forward to welcoming back staff from long-term absences. Miss Wilson and Mrs Haastrup will be returning, with Miss Wilson getting ready to start her new role as Deputy Headteacher. Mrs Vedvik continues to make great strides in her recovery from serious illness and we hope to welcome her back at some point after September.

We have been interviewing all week and have appointed an impressive young teacher, Mrs Afzaal, to teach in year 1 alongside Miss Pennill from September. We have almost finished the process of recruiting another TA to replace Mrs Keeling who is leaving us today to work in a new sector entirely. I would like to thank Mrs Keeling for all her hard work over the last 8 years and wish her all the best in her new adventure.

September Class information

There are still some decisions to be made about the make up of classes and the teachers assigned to each class for September. However, I will make sure that all parents are informed of the class their child will have in September by the end of the second week back after half term (Friday 19th June). The children will then have a chance to visit their new classroom and teacher and see all their September classmates on the transition days noted above. Any changes to current classes will be as few as is practical but some will be necessary to ensure fair class sizes, the right mix of characters that is most conducive to good learning and to allow for our smaller year group who will be going into year 5.
